

In the Name of Allaah, the Beneficent, the Most Merciful

A Concise Response to the Pope

First Point: The Pope Believes and Preaches the Bible.

Second Point: In the Bible there are commands to Kill, Destroy, Sending People to Hell, etc.

Third Point: Is this absolute "Violence and Inhumane?" Or could there be Justified Commands Fit to befall those who deserved to receive the Wrath of God?

Fourth Point: This Proves that either the Pope does not believe in His Bible, or.....!!!!

As to the addressing of the Intellect, Islam is the only religion that harmonizes the intellect, the natural disposition with the authentic revealed texts. Read the following from the Qur'an:

"Verily, therein is indeed a reminder for him who has heart or gives ear while is heedful." [Qur'aan 50:37]

Sufficient for the fair person to know that Islam is the only religion that reveres and believes in ALL of the Messengers and Prophets of the One and Only One God (Allaah);

Sufficient to know that the continuously growing religion amongst Christians and Non-Christians is ISLAM. This may explain the need to instill fear of it amongst those who generally ascribe to Christianity by resorting to insults that Islam is compulsion, evil, and inhumane!!! Experience has shown that this only increases its firmness and spreading in the world.

The greatest Evil is to ascribe worship to other than the true God (Allaah). Since it is the greatest insult to Allaah and it leads to an Eternal Torment in Hell. So it is from the greatest good to save humanity from this Evil. What people worship besides Allaah is creation in one form or another. This includes the worship of men (pope

included), prophets, messengers, saints, and so forth. Islam calls to **Singling Allaah Alone in Worship**. And this true worship leads to an Eternal Bliss in Paradise.

A Final advice to Muslims: The defense of Islam should be in positive and productive ways. Those who may resort to ways that lead to its distortion and give excuses for the people of hate do harm to Islam and Muslims. So respond by spreading the true teaching of Islam and that it fits for all times and places using wisdom and good admonition.
